

# THE EUROPEAN AVIATION CLUB

---

PLEASE TAKE NOTE OF THE VENUE FOR THIS EVENT!

Dear Friends and Colleagues,  
You are cordially invited to a lunch meeting on  
October 30, 2008, with:

**Mr. James May**  
**President and CEO, Air Transport**  
**Association of America**

**“Connecting and Protecting Our Planet  
– Bringing Together Aviation Energy,  
Air Traffic Management and  
Environmental Policies”**

The airline industry in the United States and throughout the world continues to face significant financial, energy, air traffic and environmental challenges. Mr. May will discuss the interconnections between these issues, the U.S. airlines' efforts to address them affirmatively and steps that governments can take to complement, rather than conflict with, the industry's progress.

Mr. May will also provide observations on the U.S. political scene, on the eve of the U.S. presidential election.
